Scott just woke up about one hour before the tournament begins. He goes outside and sees Derek and the Jr. Trainers of the Gym were setting up the area outside the Gym for the tournament.

(I wonder why I didn't see those Jr. Trainers at the Gym yesterday.) He thought.

Scott also sees there are already hundreds of trainers is already here to sign up. Most of them were sad and annoyed and left. He decides to sign up now before he forgets and find out why most of the trainers was annoyed and left.. He waited on line for half a hour and finally sign up for the tournament. He also found out the reason for most of the trainers leaving was because of the rules.

The rules for the tournament were:

(1) You need to have at least two bug PokÃ©mon.

(2) You need to have at least 2 PokÃ©mon League Badges to qualified for the tournament.

(3) Use of potions or items on PokÃ©mon during a match will get you disqualified from the tournament. (You may heal your PokÃ©mon after

the match is over.)

(4) All matches will be one vs. one until the final two rounds which will be two vs. two.

(5) All who enter the tournament will get a Pok  Transistor Badge which is not part of the 12 Badges needed to enter the Pok mon League Games. This badge was donated by a trainer unknown for this tournament.

"Here is the box of Pok  Transistor Badges to be used in the tournament and I would want them back when the tournament is over." Scott says to Derek as he give Derek the box.

"I have something to give to you at the end of the tournament." Derek tells Scott.

The tournament is about to begin. Only 32 trainers including Scott are completing in the Bug Tournament. A list was put up of who fights who in the tournament.

The list says as follows:

Scott Evans vs. Samurai

Ann Conner vs. Rebecca

Bob Smith vs. Tom

Will Lee vs. Jae

Joe Quesada vs. Stan

Jim Oak vs. Mike

Jack (Team Rocket) vs. Justin

Jill (Team Rocket) vs. Karl

Jack (Gym Leader) vs. Daniel

Patrick vs. Brian

Jeff vs. Fred

Amanda vs. Tisha

Matthew vs. Paul

Sean vs. Phil

Alex vs. Eric

Kenny vs. Jason

Scott's battle is about to begin.

"Ladies and Gentlemen, our first match today is Scott from the U.S. against Samurai from Ninja City; Let the match begin." Derek says on the loudspeakers.

Battle Music On

"Scyther assume battle position," said Samurai.

"Stung I choose you," said Scott.

"Scyther, power up with Sword Dance and Cut that Stung." Samurai says.

"Stung, Double Team and Agility Combo with Psychic Poison Pin Missile." Scott says.

Stung's Combo confused Scyther enough that Scyther hit the wrong Stung. Stung's Psychic Poison Pin Missile or PPPM hit Scyther so badly that Scyther fainted.

"Scott and Stung wins their first match." Derek says on the loudspeakers.

Scott went to the healing area to heal Stung as good as new. Then he went to check the list of who he is going to fight in the next round.

The list says as follows:

Scott Evans vs. Will Lee

Ann Conner vs. Jill(TR)

Jim Oak vs. Jack(TR)

He couldn't believe that mostly everyone was disqualified. It says that mostly everyone was disqualified because they used a cocoon Pokémon against another cocoon Pokémon.

Scott's next match is about to begin.

"Scott from the U.S. is against Will from Fortune City; Let the match begin." Derek said on the loudspeaker.

Battle Music On

"Parasect Go," said Will.

"Spida, Use your Agility to dodge the attack and trap Parasect with a Spider Web." Scott says.

Parasect's Combo Attack took out half of Spida's health and Spida's Spider Web trapped Parasect under the web.

"Parasect, get out of there." Will says.

"Spida, Leech Life and Poison Bite at the same time." Scott says.

Spida injected poison and drained Parasect's health at the same time until Parasect fainted.

"Scott and Spida wins their second match." Derek says on the loudspeakers.

"Return Parasect," said Will.
